Compensation for rostered employees has several components which are described in this document. The following information outlines the expectations of the ELCIC for compensation in each of those areas and provides guidance for the committee or council.

PART 1 Salary and Housing

Schedule for Rostered Ministers

Minimum base salary

When computing a rostered minister's salary, the mutual ministry committee or congregational council begins by reviewing the minimum salary schedule as set by the Eastern Synod of the Evangelical Lutheran Church in Canada. Note that time periods spent officially On Leave from Call will not count towards calculation of years after ordination/consecration. Rostered Ministers' Minimum Base Salary for 2020 and 2021 will be determined by the Eastern Synod Council based on the recommendation of the Professional Leadership Committee.

| Rostered Ministers' Minimum Base Salary Schedule | | | | |
|---|-----------|--|-----------|-----------|
| Years Ordained/Consecrated | Year 2018 | Year 2019 (includes COLA ¹) | Year 2020 | Year 2021 |
| Newly Ordained/Consecrated | 38,730 | 39,466 | | |
| 1st year after ordination/consecration ² | 39,414 | 40,163 | | |
| 2nd year after ordination/consecration | 40,098 | 40,860 | | |
| 3rd year after ordination/consecration | 40,782 | 41,557 | | |
| 4th year after ordination/consecration | 41,466 | 42,254 | | |
| 5th year after ordination/consecration | 42,150 | 42,951 | | |

¹ COLA for 2019 is set at 1.9%.

² "1st year after ordination/consecration" is defined as the first new calendar year following ordination/consecration and that subsequent years of ordination/consecration are also defined on a calendar year basis.

| Years Ordained/Consecrated | Year 2018 | Year 2019 (includes COLA ³) | Year 2020 | Year 2021 |
|---|-----------|--|-----------|-----------|
| 6th year after ordination/consecration | 42,840 | 43,654 | | |
| 7th year after ordination/consecration | 43,516 | 44,343 | | |
| 8th year after ordination/consecration | 44,202 | 45,042 | | |
| 9th year after ordination/consecration | 44,886 | 45,739 | | |
| 10th year after ordination/consecration | 45,569 | 46,435 | | |
| 11th year after ordination/consecration | 46,255 | 47,134 | | |
| 12th year after ordination/consecration | 46,939 | 47,831 | | |
| 13th year after ordination/consecration | 47,622 | 48,527 | | |
| 14th year after ordination/ consecration | 48,305 | 49,223 | | |
| 15th and all subsequent years after ordination/consecration | 48,990 | 49,921 | | |

Rostered Ministers receiving more than the minimum should receive an increase at least equal to the COLA.

Salary beyond base

An amount in addition to the base salary figure should be considered to affirm the rostered minister's ministry. Other factors to take into account include additional theological education, or other relevant experience, skills or responsibilities.

To determine the appropriate amount of additional salary, it would be beneficial to dialogue in a small group represented by a cross-section of people in the congregation committed to mutual ministry.

It is recommended that each congregation have a mutual ministry committee. Resources for this committee are available from the Synod Office.

The final salary, including the base plus additional amounts, should be approved by the congregational council.

Prorated expenses

Salary and certain benefits are prorated to a rostered minister's call with a given congregation. Please check with GSI regarding enrollment and remittance requirements under the pension and benefits plan it sponsors. Should the rostered minister accept a call to another congregation, the calling congregation will reimburse any expenses paid on a prorated basis to the congregation which the rostered minister formerly served.

³ COLA for 2019 is set at 1.9%.

Housing

Adequate housing is provided as part of the compensation package either in the form of congregation-owned housing (parsonage) or a housing allowance. Synod policy states that this housing allowance should be equal to the costs of renting accommodations similar to a parsonage, including utilities, in that area.

“The costs of renting accommodations similar” can best be determined through consultation with a local real estate agent.

“Utilities” is considered to include heat, electricity, water and sewage, and basic phone and internet service.

Housing allowance is prorated for those serving less than full time, but not less than 65%. However, when a rostered minister is called to more than one congregation, the housing allowance is apportioned between the congregations.

When the congregation provides a housing allowance, the actual amount the rostered minister may claim as a Clergy Residence Deduction is determined by Canada Revenue Agency (CRA). To request an exemption from withholding income tax deductions on the amount eligible for the Clergy Residence Deduction, the rostered minister must submit a Letter of Authority to CRA in September of the previous year, using the calculation from form T1223E part C, to determine the exempt amount for the following year. CRA will confirm with the employing congregation via a Reduction of Income Tax Deduction at Source letter.

Each congregation is encouraged to offer the housing allowance in lieu of congregation-owned housing. Congregations where the rostered minister has served for ten or more years and still lives in congregation-owned housing should consider re-evaluating their present housing arrangements.

Congregations should pay housing allowance to rostered ministers residing in a congregation-owned home and charge rent, in order for the salary to be fully insured under Group Benefits Plan sponsored by GSI.

An equity allowance shall be provided if the rostered minister lives in a congregation-owned house, including a congregation-owned house rented by the rostered minister. Each year the congregation should provide a determined amount, which is not below \$1,843⁴ as a housing equity allowance.

Other Expenses

Congregations or employing agencies will cover the expenses for rostered ministers to attend synod conventions.

Moving expenses

When an official call is extended to a rostered minister, the rostered minister and congregation negotiate what professional moving service will be used. The moving contract should include minimum safeguards for the rostered minister's furniture and personal belongings against loss or damage.

⁴ The housing equity figure has been updated to take into account a COLA of 1.9%.

Schedule for Permanent Part-Time Rostered Ministers

Congregations which are employing rostered ministers on a permanent part-time basis are required to negotiate a compensation package which clearly includes consideration of those elements (Salary and Housing, Professional Expenses, Pension, Eligible Benefits, and Other Expenses) which are considered in a full time call.

Schedule for Interim Rostered Ministers

Congregations which are employing rostered ministers on a full-time, interim basis will provide remuneration (salary, housing, and eligible benefits) as per the Schedule for Rostered Ministers.

Congregations which are employing rostered ministers on a part-time, interim basis will provide remuneration on the following terms:

- 1) Sunday Supply will be according to the Schedule for Pastoral Supply.
- 2) The hourly rate will be \$40.00 /hr, beginning the time that the rostered minister leaves his/her home. (This does not apply to Sunday supply, ref. no 1.)
- 3) Source deductions (income tax, CPP, and EI) and applicable deductions for plans sponsored by GSI must be made and a T4 issued.
- 4) Interim Rostered Ministers serving less than 12 months should receive vacation pay (4% on all earnings) or negotiated vacation time.
- 5) Those serving on a long-term (12 months or more) part-time interim basis will receive continuing education and book allowances and a pro-rated paid vacation (based on an average of the previous 12 months' earnings) according to [harmonized compensation guidelines](#).
- 6) For travel expenses, refer to [harmonized compensation guidelines](#).

Schedule for Pastoral Supply

One service: \$200 plus mileage plus other remittances (ELCIC pension, EI), if applicable*.
Two services in the same congregation/parish: \$300 plus mileage plus other remittances (ELCIC pension, EI), if applicable*.

For travel expenses, refer to [harmonized compensation guidelines](#).

*Check with GSI to determine if the supply rostered minister is a member of the GSI Pension Plan.

In addition to any required GSI pension remittances, source deductions for the employee and employer portions of Employment Insurance are applicable. A T4 must be issued at the end of the year.

Worker's Compensation

Worker's compensation is not generally mandatory for congregations. However, if a congregation chooses to take out this coverage, it cannot be done selectively (i.e. either all employees are covered, or no employees are covered).

PART 2 Harmonized Compensation Guidelines

The 2017 [harmonized compensation guidelines](#) were approved at National Church Council on September 9, 2016. The harmonized sections of the compensation guideline include: vacation, leave of absence, ELCIC Pension, Group Benefits and Continuing Education Plans as well as book and travel allowance/reimbursement. It also includes the sick policy and parental leave policy.

Please note that it is not the intention to diminish any employee's current entitlements due to the harmonization process. Transitional considerations need to be given on a case by case basis.

Pensions and benefits for Anglican clergy serving in Lutheran congregations are as determined by the diocese to which they are rostered.
